SELECT SV THEME

To further enhance the interior and exterior of Range Rover SV, two themes are available.

SV SERENITY

Serenity is luxurious, elegant and understated with Atlas Silver metal plated and Corinthian Bronze painted exterior accents. Caraway, Sequoia Green or Liberty Blue Near-Aniline leather seats are available with a Perlino Semi-Aniline leather two-tone split between the first and second row.

Gloss White ceramic controls are standard and can be paired with the Natural Black Birch veneer, or one of the four other new finishers exclusive to SV.

SV INTREPID

Intrepid, a sporty, dynamic and futuristic choice features Anthracite metal plated and Graphite Atlas painted exterior accents. On the interior, seats are offered in Ebony or a choice between Rosewood and Ebony or Cinder Grey and Light Cloud Ultrafabric™ – both in a two-tone split between the first and second row – with Satin Black ceramic controls and either dark wood, metal or woven mesh* finishers.

*Satin Dark woven mesh veneer available from mid-2022.

SV SIGNATURE SUITE

The new four-seat SV Signature Suite* provides the ultimate passenger experience on Long Wheelbase models. This luxurious configuration includes an Electrically Deployable Club Table, plus electrically deployable cupholders. It combines with a fixed full-length rear console for the ultimate in luxury.

*Optional feature.

¹Available from January 2022. ²Blind Spot Assist can help prevent collisions. If your vehicle detects another car in your blind spot when you begin to change lanes, a rotational force is automatically applied to the steering wheel - indicating a steering correction should be made.

All in-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories, and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications or availability, nor does it constitute an offer for the sale of any particular vehicle, part or accessory. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

COLOURS: Image colours reproduced here are provided for illustrative purposes only. Colours are reproduced on-screen and may therefore vary compared to the actual finish. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Retailer. Distributors and Retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

Information and images displayed in relation to the InControl technology, including Touchscreen, App screens, or sequences are subject to regular software updates, version control and other system/visual changes depending on options selected.

Optional features and their availability may differ by vehicle specification (model and powertrain), or require the installation of other features in order to be fitted. Please contact your local Retailer for more details, or configure your vehicle online. All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times. Certain features require an appropriate SIM with a suitable data contract, which will require a further subscription after the initial term advised by your Retailer.
